

**Oyster Shell Recycling Restaurant Application**

Thank you for your interest in participating in the North Carolina Coastal Federation’s shell recycling program! Your participation aids in restoring North Carolina’s coastal habitat, water quality, and shoreline. Please fill out the following information to participate and return to Leslie Vegas at [lesliev@nccoast.org](mailto:lesliev@nccoast.org). With your signature, this application secures your partnership in the program. By participating in the shell recycling program, you agree to have your staff participate in a short training session demonstrating the importance of shell recycling with some oyster biology and natural history.
