The Chef's Tent

N.C. Seafood Festival

Morehead City, NC

WINE & BRINE

After a successful inaugural year, this celebration of the North Carolina Oyster Trail is back for 2022! The North Carolina Oyster Trail is a grassroots initiative whose mission is to provide oyster tourism experiences that will help sustain and grow N.C. oyster supply and demand, resulting in economic, environmental and social benefits to the state's seafood industry and coastal communities.

Wine & Brine will take place in the North Carolina Seafood Festival Chef's Tent on the Morehead City Waterfront. Guests will have the opportunity to meet oyster and clam growers while sampling their delicious harvest. Each oyster and clam will be expertly paired with a wine. Approximately 300 guests are expected to partake in this celebratory event that will help solidify North Carolina as the "Napa Valley of Oysters." In addition to the shellfish tastings, local favorite caterer, Seaside Sensations, will be onsite serving expertly prepared N.C. seafood and a beer and wine bar will be available.
