

The Center for Coastal Protection and Restoration Donor Recognition

North Carolina
Coastal Federation
Working Together for a Healthy Coast

Inspiring a Brighter Future for our Coast

CONNECTING. CONSERVING. INSPIRING

The Center for Coastal Protection and Restoration will provide solutions to ensure a healthy, sustainable and beautiful coast for generations to come. The Center also offers a wide variety of naming opportunities and recognition options to honor those special supporters who share our love for the coast.

Custom Recognition & Sponsorship Opportunities

The Federation will work with leadership donors to customize recognition, including individual or corporate sponsorships of rooms, buildings and other features. Donors will be recognized with permanent plaques naming rooms or affixed to features, or free-standing wooden signs for outdoor features.

Nestled in a park-like setting, the Center will welcome visitors through four main areas:

EDUCATION & EVENT CENTER - \$1,000,000

The Education & Event Center will be the heart of the Center's education and engagement mission, hosting local events and business meetings as well as remote learning opportunities.

COASTAL RESOURCE CENTER - \$1,000,000

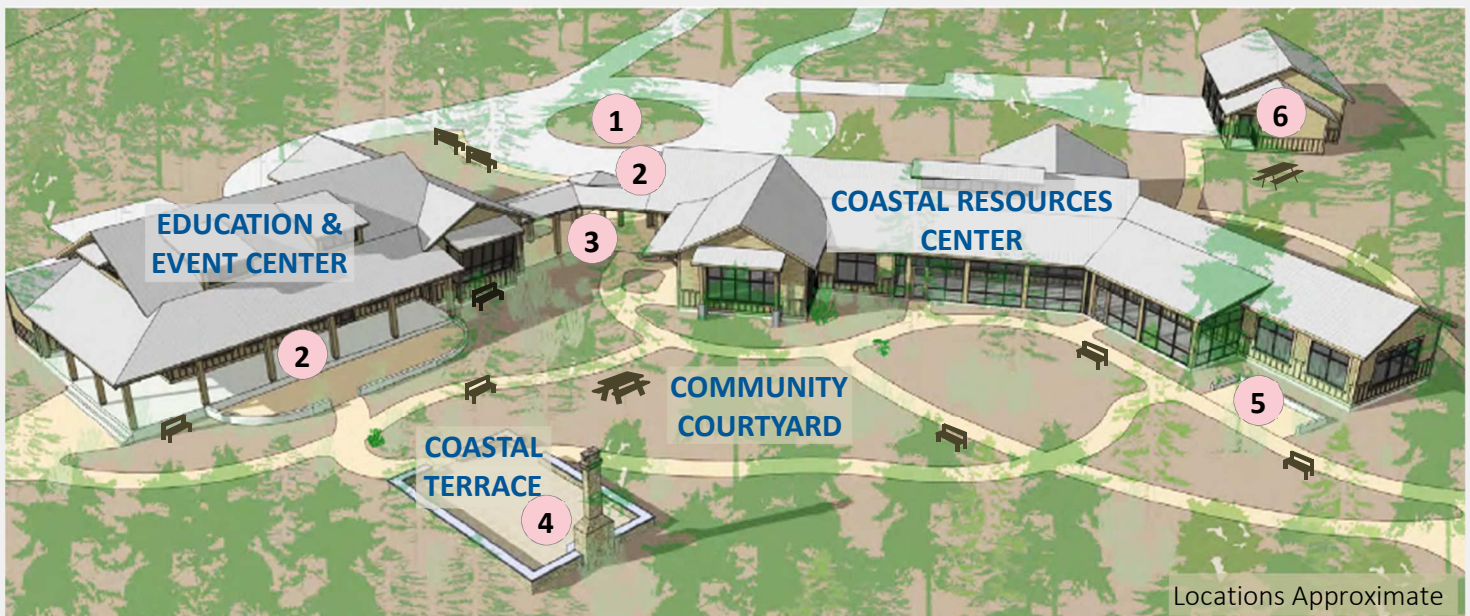

The Coastal Resource Center will be a hub of collaborative leadership, housing the federation's team, meeting spaces, the Communications Studio, Welcome Center, Coastal Library, and Gift Shop.

COMMUNITY COURTYARD - \$250,000

The Community Courtyard will be an inviting gathering space for visitors touring the grounds or coastal professionals stepping outside for conversation, fresh air, and to enjoy the view.

COASTAL TERRACE - \$150,000

The Coastal Terrace will serve as an outdoor classroom for students, a staging area for volunteer activities, a gathering place for celebrations, as well as an open space for the public.

Special Features

Thousands of visitors will connect with nature and learn about the coast through special features that welcome visitors to the gorgeous coastal setting.

- Navigators - \$25,000+
- Stewards - \$10,000+

You Can Inspire a Brighter Future for Our Coast

“The greatest of all the shores I know are our long, sandy strands, the islands of the Carolina coast. Whether we go out to them only a time or two, or steadily for 60 years, whether we find fish or first love or family life through the generations. What a gift, looming so large in the history of our state and in our lives.”

BLAND SIMPSON
CELEBRATED NC AUTHOR, PROFESSOR,
AND MUSICIAN

Excerpt from Island Time, Our State Magazine

The Center for Coastal Protection and Restoration is a rare opportunity to launch a critical resource for the future of our coast.

The Center will model the solutions to our most pressing challenges, provide training and support to other communities grappling with similar challenges, and provide a gathering place for learning and celebrating the natural wonders of our coast.

With your help, we can:

CONNECT our coastal communities,
CONSERVE our coastal resources and way of life, and
INSPIRE the next generation of coastal stewards.

Join us in bringing this Center for Coastal Protection and Restoration to life.

Contact Development Director Sarah King at sarahk@nccoast.org to pledge your support or learn more.
