

Show Your Coastal Roots with

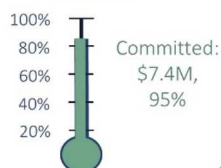

# Recognition in the Business Garden

## GROWING A CONNECTED COMMUNITY: THE BUSINESS GARDEN

The new Center for Coastal Protection and Restoration will welcome locals and visitors through a variety of coastal experiences. Thanks to our campaign supporters, we are less than \$500,000 away from making this new center a reality.

Fundraising Goal:  
\$7.75M

**Please show your support for this great community resource by making your pledge today.** We would be honored to recognize your support in the Business Garden or elsewhere through other recognition opportunities.

**The Business Garden** will welcome visitors with a permanent outdoor art installation similar to the one shown, surrounded by bench seating and the sounds of nature. Business supporter names will be engraved on the pedestal or surrounding brickwork. The Business Garden will be located in the main courtyard, welcoming visitors to the Education and Event Center, the Federation office, the Terrace, or the nature trail.
